

NDWIGA PATRICK MURANI

SOFTWARE ENGINEER | GRAPHIC DESIGNER

Nairobi, Kenya | [+254795556007](tel:+254795556007) | patrickmurani@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

Versatile Software Engineer and Creative Technologist currently driving digital transformation at BizSolutions 360, Inc., a global professional services firm enabling government and private sector success across multiple continents. Proficient in TypeScript, Next.js, React, Node.js, PostgreSQL, and REST API development, with complementary expertise in UI/UX design, graphic design, and social media strategy. Proven track record delivering production-grade web platforms for clients in security, healthcare, NGO, and public sector verticals. Adept at cross-functional collaboration, agile workflows, and translating complex stakeholder requirements into intuitive, high-performing digital products.

WORK EXPERIENCE

BizSolutions 360, Inc. | Software Developer, Business Developer & Social Media Manager **Nov 2025 - Present**

- Architecting and delivering full-stack web platforms for government and private sector clients, supporting B360's digital transformation mandate across multiple international engagements.
- Contributing to business development activities including client proposals, market research, and strategic partnership development.
- Driving brand visibility and audience growth through targeted social media strategy and content management across key platforms.

Hillgan Innovations | Software Engineer **March 2025 - June 2025**

- Built and refined front-end interfaces for 4 commercial products (KaziDesk, KaziPOS, KaziAfya, HeaUunction), applying modern UI/UX principles to ensure responsive and engaging user experiences.

AWS Student Community Day Kenya | Graphic Designer **May 2024 - September 2024**

- Designed visual assets and event materials for AWS Students Community Day Kenya, ensuring consistent branding and high-impact presentation across all marketing touchpoints.

Google Developer Groups UEAB | UI/UX Lead **September 2023 - August 2024**

- Founded and led the UI/UX chapter of GDG UEAB, organizing design workshops and events that introduced 100+ students to product design principles.
- Mentored peers in UI/UX and graphic design through collaborative sessions, fostering a design culture on campus.

Hillgan Innovations | Software Engineering Intern **May 2024 - July 2024**

- Contributed to front-end development of the Hillgan Bulk SMS System and KaziDesk HR Management System, applying UI/UX principles to deliver clean, responsive, and user-friendly interfaces.

University of Eastern Africa, Baraton Full Stack Developer	2023 - 2024
